Dear Friend:

We are pleased to announce that the U.S.K.S.F. will continue its policy of providing transportation for competitors and judges to the tournament site from the Baltimore/Washington International (BWI) airport, and back to BWI after the tournament.

You can electronically request transportation within our registration software when you register to compete or judge. This is the preferred method of requesting transportation to and from BWI. Alternatively, you can fill out this form completely and **FAX to (443) 394-9202 or e-mail to transportation@usksf.org.**

For tournament competitors and judges, if we receive your transportation request by **July 16, 2010**, every effort will be made to provide transportation, but is NOT guaranteed. If transportation is not available due to situations beyond our control, OR, failure on your part to return this form on time, you **MUST** arrange your own transportation from the airport to the tournament site. You will be notified in advance if we are unable to supply you with transportation. You will **NOT** be reimbursed for any local travel arrangements. **All air travel MUST be booked through Baltimore/Washington International Airport.** If you only require departure transportation, send this form with all departure information, and the arrival information marked "SELF".

This form is for people traveling together. Submit separate forms for separate itineraries.
